Shriners, Elks Slate Meeting

Members of El Toga Shrine Club and Gardena Elks Lodge No. 1919 are looking forward to a gala evening on Wednesday, Sept. 11, when the two organizations will hold a joint stag party in the new Elks Temple, 1627 Market St., Gardena.

Elks Exalted Ruler Max Zeigler and El Toga President Bill Schroeder have completed plans for the affair at which several hundred members of the two organizations are expected to turn out. A social hour is scheduled from 6:30 to 7:30 p.m., followed by a barbecued steak dinner on the patio, after which a vaudeville show will be staged in the Elks new lodge room.

El Toga membership embraces much of the South Bay area including Torrance, Gardena, Hawthorne, Hermosa and Manhattan Beach as well as Palos Verdes and El Segundo. All members are welcome and they may bring guests, providing they have either purchased tickets in advance or make reservations.

Carson Group To Get Report About Freeways

The Carson Civic Betterment Assn. meets Tuesday, Sept. 10, 8 p.m., at White Junior High School, 220th and Figueroa. Meeting will be open to the public. Mrs. William E. St. Clair will report about the conference with E. T. Telford, Division of Highways, concerning on and off ramps of the Harbor Freeway. E. J. Benda will make a progress report about the Carson Park.

A drive for members is now on under the leadership of Bill Hodges of 23318 Orchard.

Chace Taking No Side in Lomita Fight

Supervisor Burton W. Chace has denied, in a letter to the Lomita Civic League, that he is either for or against the incorporation of Lomita.

Chace's letter was in answer to a query from the League, after the appearance of a statement in a Lomita newspaper which inferred that the supervisor favored incorporation.

"I sincerely regret that my statement may have construed in such a manner as to give that impression," Chace said. "The intent of my statement was that the boundaries as presented to the proposed city of Lomita appeared more logical than most others considered by this board."

"It has been my policy not to take sides in incorporation proceedings, and it is my intention to continue in that neutral position."

The Civic League will hold its regular meeting tonight in the Little Theater of the old Narbonne High School, 254th and Walnut St.

Maurine Pool Attends CTA Convention

Maurine B. Pool, vice president of the Torrance Education Assn., was among the 360 chapter presidents of California Teachers Assns. who convened in Asilomar for a three-day conference recently.

The group met to discuss methods by which the local groups and the state association could improve relationships between the schools and the public.

Meetings on 35 different subjects ranged from methods of planning meetings to ethical presentation of teacher attitudes to school boards and administrators.
